Note for readers and subscribers

We are happy to inform you that from January 2009 we have introduced the system of peer review of articles to ensure quality of publications and improve the scholarly value of our journal. We have a renowned group of scholars and academicians associated with our Centre and they are helping us in this process. We are grateful to them for their kind support and cooperation.

We would request our readers and subscribers to take note of these changes and we would, as ever, encourage them to send in research articles for publication to us. The manuscripts of research papers submitted for publication should be neatly typed in double space and the length of the papers should be ideally between 3,000-5000 words including the references. They should contain an abstract and a short introduction of the author. The authors should use Harvard Manual Style for their references. The articles can be sent to us in an electronic format, preferably Ms Word. For detailed guidelines they may send their queries to us in the following address.
